BILATERAL MEETINGS

July 12, 2015 (10:00 am - 5:00 pm)

DESCRIPTION We are a micro-brewery that will produce its craft beers in a transformed former Church in the suburbs of Namur. Our project is wider than just producing beer : we'd like to run activities that will put the beer where it deserves to be : " as noble gastronomical product". We also plan to run beer-oriented "team building" events for customers
